

**ITEM : 4.A.Increase in Lunch Prices**

**Recommendation**

The Superintendent recommends the following changes to the CNP lunch prices:

Full Price Student Lunch - increase from \$2.45 to \$2.55

Reduced Price Student Lunch - no change, remain at \$0.40

Faculty Lunch Price - increase from \$2.95 to \$3.15

Visitor Lunch Price - increase from \$3.70 to \$3.80

**Summary**

Systems participating in the National School Lunch Program are required to ensure that sufficient funds are provided for meals served to students not eligible for free or reduced price meals. Systems must annually review their meal prices and use the designated calculations to make adjustments.

Systems which, on a weighted average, charged less than \$2.92 for lunches are required to adjust their weighted average lunch price. The amount per meal increase is calculated using 2% rate increase plus the Consumer Price Index (2.31%), totaling 4.31%. The increase can then be rounded down to the nearest \$.05, which in our case is \$2.55 for a full price student lunch. Similar increases were applied to faculty and visitor lunch prices.
