

## Brewton Middle School

### Vision

We will be the top performing school system in Alabama.

### Mission

Everybody learns every day.

### Beliefs

- It is always right to do the right thing.
- It is always right to communicate the right thing.
- It is always right to help others do the right thing.

#### Professional Development

##### Objectives

- Participate in ongoing and embedded professional development.

##### Critical Initiatives

- Plan and/or attend E3 summer training, fall workshops, vertical team meetings and instructional rounds to support A+CR goals.
- Provide hands-on science experiences and engagement for students supported by AMSTI Science training and kits.

#### Student Achievement

##### Objectives

- Increase proficiency in the area of Reading and English Language Arts.
- Increase proficiency in the area of Math.

##### Critical Initiatives

- Implement E3 curriculum in grades 6-8.
- Implement class size reduction measures in Reading/ELA classes and student support.
- Implement E3 curriculum in grades 6-8.

#### Technology

##### Objectives

- Facilitate students using technology in student learning.
- Prepare for implementation of Computer Science course in 2021-22.

##### Critical Initiatives

- Implement 1-to-1 initiative (chromebooks) for consistent student access to technology in school and at home.
- Integrate Schoology, SchoolsPLP, and Google Classroom in both brick and mortar classrooms and with remote learners.
- Integrate online supports and interventions (such as A+, Reading Horizons, Learning Ally,

#### Social Diversity

##### Objectives

- Recruit and retain a more diverse staff to reflect the diversity of the student body.

##### Critical Initiatives

- Invest in recruitment and retention of diverse, certified employees to represent our diverse student body.
- Strengthen and maintain rigorous classroom learning for all subgroups.

Critical Initiatives

Critical Initiatives

Critical Initiatives
<p>Classworks, SchoolsPLP) for student growth and proficiency.</p> <ul style="list-style-type: none"> <li>• Identify staff to teach Computer Science.</li> <li>• Plan for training, scheduling, and implementing Computer Science.</li> </ul>

Critical Initiatives

Key Measures
